

# **Pennsylvania Geospatial Coordinating Board**

## **Strategic Plan Public Comment Period**

### **Background**

The Pennsylvania State Geospatial Coordinating Board (PA GeoBoard) is seeking comments on its draft strategic plan for geospatial technologies in the commonwealth. The comments will help the PA Geoboard to ensure that the plan aligns with and supports the direction of the commonwealth's GIS community.

The public comment period runs through November 3, 2017. Feedback should be submitted directly to: [cio@pa.gov](mailto:cio@pa.gov).

The plan was developed in collaboration with the GIS community through surveys, presentations, open discussion sessions, research, and joint task force meetings (see Appendix A for a description of the strategic planning process).

### **Comments Sought**

The board seeks substantive comments and feedback on the Overarching Direction, Strategic Goals and Implementation Objectives.

Specifically:

- Clarity of presented Goals and Objectives
- Any Goals and Objectives critical to the future of Pennsylvania's GIS Community that may be absent
- Ideas regarding resources and constituencies that would be productive participants in achieving specific Objectives
- Places where you are interested in contributing your own talents to achieve an Objective
- Please do not provide feedback related grammar, punctuation, style, etc.

### **Format**

Please compile all feedback into a single document. The draft strategic plan includes line numbers that should be used to reference the specific passages to which the comments apply. A copy of the draft strategic plan is available on the State Geospatial Coordinating Board page of the PA Office of Administration website at [www.oa.pa.gov](http://www.oa.pa.gov).

Please do not submit anonymous feedback, as we may wish to get in contact with you to obtain more information on the feedback given.

### **Submission Deadline**

Please submit your comments to [cio@pa.gov](mailto:cio@pa.gov) by midnight, November 3, 2017.
