

- WHEREAS, The Secretary of the Department of Labor and Industry has requested, pursuant to Sections 212 and 709(b) of *The Administrative Code of 1929*, approval to transfer the Project Management Division from the Bureau of Enterprise Services to the Office of Information Technology and rename it to the Enterprise Project Management Section; transfer the Security Division from the Bureau of Enterprise Services to the Office of Information Technology and rename it to the Enterprise Security Section; rename the Bureau of Infrastructure and Operations to the Bureau of Infrastructure and Computing Services; rename the Infrastructure Division to the Infrastructure Engineering and Operations Division; rename the Server Farm Operations Division to the Compute Services Operations Division; rename the Disability Determination Support Services Division to the Disability Determination Support Division; rename the Network Support Services Division to the Workstation Operations and Technical Services Division; and establish the Service Management and Administration Division; and
- WHEREAS, The Secretary of the Department of Labor and Industry further requests approval to rename the Bureau of Business Application Development to the Bureau of Application Services and Delivery; separate the Unemployment Compensation Division into the Unemployment Compensation Tax and Wage Division and the Unemployment Compensation Benefits and Allowances Division; rename the Workforce Development Division to the Workforce Development and Information Division; rename the Vocational Rehabilitation, Safety and Labor/Management Relations Division to the Vocational Rehabilitation, Central Services and Safety and Labor/Management Relations Division; and establish the Enterprise Shared Services Division; and
- WHEREAS, The Secretary of the Department of Labor and Industry further requests approval to rename the Bureau of Enterprise Services to the Bureau of Business Enterprise Services; establish the Business Relationship Management Division; establish the Service Control Management Division; establish the Procurement and Administrative Support Division; transfer the Data Management and Database Operations Division from the Bureau of Enterprise Architecture to the Bureau of Business Enterprise Services, and rename it to the Database Administration Services Division; abolish the Customer Relations Division; and abolish the Business Center of Excellence Division; and
- WHEREAS, The Secretary of the Department of Labor and Industry further requests approval to, under the Bureau of Enterprise Architecture, abolish the Engineering and Research Division; abolish the Standards Development and Compliance Division; and abolish the Bureau of Enterprise Architecture; Therefore, be it
- RESOLVED, That the Secretary of the Department of Labor and Industry is hereby granted approval to make the above-mentioned changes; and, be it further
- RESOLVED, That the attached organizational chart reflecting the above changes will be submitted to the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin* and *Pennsylvania Code*.
