This manual replaces, in its entirety, *Manual 210.3*, dated July 5, 2017. This manual includes all new and amended issuances through June 30, 2018.

How to Use Index:

- Executive orders are by year of issuance.
- Management directives and manuals are numbered in sequence by category (e.g., Financial Management) and subcategory (e.g., Payroll).
- All documents preceded by the letter "M" are manuals.
- Documents with a strike-through have been rescinded.
- Amendments are presented as complete documents that incorporate all changes since the last issuance.
- Revisions which generally affect older issuances are pen and ink changes or replacement pages and affect only those parts of an issuance being changed. Therefore, the issuance changed by a revision will be in more than one document because there will be original issuance and any revision.
