   c. **Federal Funds.** Transmittals of revenue for federal funds using Smart Link or other automated draw systems should be processed in accordance with normal month-end closing procedures. **There is no need to hold such transmittals of revenue.**

   BAFM staff will be available during normal working hours to assist agencies and other Comptroller Operations personnel on fiscal year-end revenue matters.
3. **Important Reminder about SAP Budget Period Default Values in Fiscal Year 2020-21.** Agencies are reminded that when the SAP system is reopened in fiscal year 2020-21, the default budget period value, “2020,” may not be appropriate for all SAP documents (journal entries) or transactions. For any transaction applicable to fiscal year 2019-20, the budget period value must be changed manually to “2019” by the individual parking or posting the document or completing the transaction.
