1.   Purpose

To provide information on the availability of Data Warehouse products.

2.   Data Warehouse Product Availability

The status of the products or modules listed in this document specifies if a product or module is currently in production. Products or modules with a status of "Available" have been purchased under an enterprise license agreement and are available for implementation.

Product/Module	Status
SAP Data Warehousing	Available
Oracle	Available
Microsoft Synapse	Available
Amazon Redshift[1]	Available
Microsoft SQL Server	Available
IBM DB2	Available
MySQL	Available

[1]Redshift is in the process of being added to the product list on the contract. In the interim a DGS waiver may be required
