Contact Agency: Office of the Budget, Office of Comptroller Operations, Bureau of Planning and Management, Telephone 717.787.6496	

This directive establishes policy, responsibilities, and procedures for the collection, referral, and compromise or write-off of delinquent claims. This amendment adds definitions; increases the amount that can be written-off without a referral to the Office of Attorney General (OAG) to \$100; updates requirements for referrals to the OAG, including electronic referral via the OAG website; and gives agency heads authority to approve requests for compromise and write-offs. Marginal dots are excluded due to major changes.

- 1. PURPOSE.** To establish policy, responsibilities, and procedures for the collection, referral, and compromise or write-off of delinquent claims.
- 2. SCOPE.** This directive applies to all departments, boards, commissions, and councils (hereinafter referred to as "agencies") under the Governor's jurisdiction. Agencies not under the Governor's jurisdiction are encouraged to follow this directive.
- 3. OBJECTIVES.**
 - a.** Provide for uniform minimum collection efforts.
 - b.** Ensure consistent application of the procedures for referring delinquent claims and requesting compromise or write-off.
 - c.** Ensure timely deposit of funds collected on referrals to the OAG.

4. DEFINITIONS.

- a. **Cancel Report.** A monthly report provided by the OAG listing referrals that have been paid in full, returned at the request of the referring agency, or for which collection efforts have been exhausted.
- b. **Client Statement.** A monthly report provided by the OAG that summarizes the accounting transactions affecting each referral, including net collection amounts transferred to referring agencies, payments received, and adjustments.
- c. **Compromise.** A process whereby an agency settles a delinquent claim against a debtor.

- e. **Dunning.** The act of notifying a debtor of a delinquent claim.
- f. **Dunning Cycle.** The number of notices and frequency with which an agency notifies a debtor of a delinquent claim. The standard dunning cycle for the commonwealth is 30/60/90; a dunning notice is issued on the 1st day after the invoice due date, with additional dunning notices issued on the 31st and 61st days after the invoice due date. A fourth notice is generated on the 91st day after the invoice due date, prompting the agency to refer, compromise, or write-off the delinquent claim.
- g. **OAG Collections Process Manual.** A document containing detailed procedures for submitting, updating, and deleting delinquent claims and payment information on the OAG website.
- h. **OAG Website.** The online mechanism for submitting, updating, and deleting delinquent claims and payment information to the OAG. The address for the OAG website is <https://fes.attorneygeneral.gov>.

- k. **Write-Off.** A process whereby an agency cancels a delinquent claim against a debtor.

5. POLICY.

- a. Agencies must bill, monitor, and make reasonable efforts to collect accounts receivable, including dunning for delinquent claims. Procedures for billing and monitoring accounts receivable should be reviewed periodically for possible improvements.

- b. Delinquent claims must be referred, compromised, or written-off in accordance with procedures in this directive and the [OAG Collections Process Manual](#), except when the OAG has delegated collection authority or approved alternate procedures for processing delinquent claims.
- c. Agency heads are the approving authority for all compromises and write-offs. Compromises and write-offs prior to completion of the standard dunning cycle or prior to referral also require approval of the OAG, except when the OAG has delegated collection authority.
- d. Referrals shall be deemed ready for compromise or write-off when the OAG notifies the agency that the delinquent claim is uncollectible (uncollectible claims will be listed on the cancel report with a status of "exhausted"). Agencies are not required to submit Form STD-199, Request for Compromise or Write-Off (Form STD-199) to the OAG for a compromise or write-off if the OAG has determined the delinquent claim is uncollectible.
- e. Proceeds from the collection of delinquent claims must be safeguarded from loss and theft and deposited promptly in accordance with this directive, *Management Directive 305.11, Depositing Checks, Money Orders and Cash*, and *Management Directive 305.5, Cash Management*.
- f. Commission paid to private collection agencies and other costs incurred by the OAG during the collection of delinquent claims shall be deducted from the gross collection amounts; net collection amounts shall be transferred to agencies each month.
- g. Transfers of net collection amounts from the OAG to agencies shall be recorded using the SAP accounting codes (including SAP fund, general ledger account, cost center, and internal order number, if applicable) provided by each agency.
- h. When a separated commonwealth employee has not paid an undisputed delinquent claim, the commonwealth must attempt to recover such money by offsetting the amount due against payouts for annual leave, personal leave, sick leave, retirement, and any other amounts due the employee, consistent with *Management Directive 315.8, Restitution of Overpayments*.
